FY09 Highlights of Accomplishments

Addressing National Challenges: Increasing STI Impacts

Successful Workshops and Information Exchange

- **Making the Web Work for Science: The Impact of e-Science and Cyberinfrastructure (with NFAIS and FLICC) on 11/14/07**
  - 110 people from 54 organizations
- **New Dimensions In Knowledge Organization Systems (with NKOS) on 9/11/09**
  - 90 attendees at World Bank
- **Web 3.0 workshop scheduled for 11/17/09**
- **Many special teleconferences and meeting sessions**
- **Regular Agency Showcases**

Operational Contributions

- **Publication of "*Guide to Distribution Limitation Markings of CENDI Agencies*"**

- **Mapping of SKOS files across 3 agencies**

- **Copyright WG updates on Copyright FAQ and FAQ on Open Source Software in process**

- **Legacy Collections Survey of material to be digitized by CENDI agencies; comparison to FLICC survey**

- **Metadata schemes for images from 3 agencies mapped with extended interest for ICSTI**

- **Many works in progress**

Thought/Policy Leadership

➡ *CENDI Prepared an STI White Paper that frames policy challenges and opportunities*

➡ *CENDI invited as only observer to the House Science Committee Roundtable on Open Access*

➡ *Leaders meet with CENDI*

- Bruce McConnell and Jane Griffiths, Obama Transition Team discusses priorities with CENDI
- Diane DiEuliis, Dep Director, Life Sciences, OSTP, looks to CENDI as eyes and ears at the restricted House Science Committee Roundtable
- Kei Koizumi, Ass't Director for Federal R&D at OSTP, speaks with CENDI on OSTP Priorities and opens opportunities for collaboration
- Beth Noveck, Ass't Director of the open Government Initiative at OSTP briefs CENDI
- Margo Schwab, Statistician at OMB, briefed CENDI on Data.gov and suggested continuing discussion
- Clifford Lynch, Director, Coalition for Networked Information, supports CENDI initiative to look at roles of institutional repositories
- Prue Adler, ARL, and Heather Joseph, SPARC, continue information exchange with CENDI

Information COPs Partner with CENDI

- **NSTC organizations – IWGDD TAG**
- **NAS/NRC BRDI – Continuing liaison**
- **ICSTI – New Partnership formed**
- **NFAIS – Continued successful workshops; partnership discussion**
- **NKOS – successful joint meeting**
- **DHS – cooperation in a study of models of STI Clearinghouses**
- **ARL; SPARC – continuing policy information exchange**
- **CNI – Continuing strategic planning information exchange**
- **OCG Forum – Active participation with Copyright WG**
- **FLICC Preservation and Digitization WG and Federal Agencies Digitization Guidelines Initiative cooperation on monitoring digitization standards**

Science.gov's Continued Success

- Annual source queries exceed 17.3M
- Named one of top-10 gov't web sites by GCN
- Department of Transportation added
- Version 5 successfully launched
- Largest contributor to WorldWideScience.org

Science.gov Source Queries (Dec 02 - Jul 09)

Fiscal Year	Source Queries
FY09	17,321,086
FY08	11,395,884
FY07	6,562,671
FY06	5,180,730
FY05	3,784,958
FY04	1,320,170
FY03	201,145

CENDI Meritorious Awards

2009

The FY09 Meritorious Award was awarded to two individuals for outstanding service on the CENDI Copyright and Intellectual Property Working Group. *Ms. Vicki Allums*, Associate General Counsel with the Defense Information Systems Agency (DISA), and *Ms. Nancy Kremers*, Assistant General Counsel (Intellectual Property & Acquisition Instruments) with the Defense Advanced Research Projects Agency (DARPA), participate(d) in CENDI through their client/advisor relationship with the Defense Technical Information Center (DTIC). Ms. Allums had been a member of the CENDI Copyright Working Group since January 2007. Ms. Kremers joined the group in October 2004 while at DISA and continued her association after moving to DARPA in July 2006.
